

## Trailblazers Registration

From the website [www.collingwoodtrailblazers.ca](http://www.collingwoodtrailblazers.ca), go to the *Registration Info* tab and then *Register Now!*

**If you have previously registered a child for a Trailblazers program using the SportSavvy system:**

Login using the **Member Login Area**. Of course, there is a “forgot my password” option.

**If you have NOT previously registered for a program using the SportSavvy system:**

You will have to **Create New Account**.

### Registration Steps

1. Once you log in, you will then be on the **Primary Contact Details** page. Make sure the data fields are correct and click **Next**.
2. You are now on the **Registration Management** page. You should then see your son or daughter’s name if they have registered for another program. If so, click on **Register THIS player**. If they have not registered for another program, you will have to click on **NEW Player**, enter the information and click **Next** then **Register THIS Player**.
3. You are now on the **Registration Selection** page. Select the program(s) of choice. You will need to answer the *Program Specific Questions* then click **Next**.
4. It should go back to the previous page (**Registration Management**) and show as an item *In Cart*. Click **Next**.
5. You will need to read and agree to a series registration waivers.
6. You will now see the **Registration Payment** page. Once your payment information has been filled in, click **Submit**.
7. This should bring you to the confirmation/receipt page, which you can print. You should also get a confirmation email.

As part of the registration, the Club now requires a printed and completed medical form submitted prior to participation. The medical form link will appear in that registration waiver or can be accessed from the website under the *Registration Info* tab.
