

Blazerball

Each **Blazerball** session will begin with a warm-up specific to the long term development of these age groups. Physical literacy and basketball specific skills will be integrated at this time. Instructional Leaders are Canada Basketball trained/certified Trailblazers Coaches interested in providing high quality experience for youth basketball players.

The rest of each **Blazerball** session will be 3 on 3 games on a reduced sized court. Canada Basketball promotes this type of activity as it allows for high reps and touches while practicing teamwork; since everyone must be involved to be successful. The rules are simplified and the action is non-stop and fun!
